the CheckThat! task 3 Consortium
AND

[REQUESTING Individual and ORGANIZATION NAME]

Purpose of Agreement

The agreement describes the terms under which the CheckThat! 2021 task 3 research collection can be used by interested parties. This collection contains text from news websites and judgments from various fact-checking sites

Terms of Use and Data Access

The data and the information may only be used for research purposes. Portions of the data are copyrighted and have commercial value as data, so you must be careful to use it only for research purposes. Due to these restrictions, the CheckThat! task-3 collection is not open data.

Summaries, analyses and interpretations of the linguistic properties of the information may be derived and published, provided it is not possible to reconstruct the information from these summaries.

You may not try to identify the individuals whose texts are included in this dataset. You may not try to identify the original entry in the fact-checking site.

You are not permitted to publish any portion of the dataset other than summary statistics or share it with anyone else.

We grant you the right to access the collection's content in the manner described in this agreement. You may not otherwise make unauthorized commercial use of, reproduce, prepare derivative works, distribute copies, perform, or publicly display the collection or parts of it.

You are responsible to keep and store the data in a way that it cannot be accessed by others.

The data is provided free of charge.

You may present research findings concerning knowledge obtained using the collection provided that the aforementioned presentation is within the limits of this agreement. Any scientific publication derived from the use of this collection should explicitly refer to the Overview Paper of CheckThat! 2021.
